**Consumer Notes:**

Much product this month, but not a lot of news. Again, DVD continues to become the preferred medium for distribution with the first Bubblegum 2040 DVD shipping along with a pile of other stuff. Gasaraki does start this month (it's very pretty) as well as the Rayearth OVA series. Imma Youjo concludes this month as well ... a cool adult product!

**JEFF'S PICK(S) OF THE MONTH**

Maze is kinda cool, but I think I have to go with the subtitled X movie this month. It's gorgeous!
